Hi class, I’m your teacher, Tony. Oookay!

I have alot to teach you, Oookay!

I am a turtle, and my dream is to be a school teacher.

Pay attention, you’re going to be tested—just kidding.

This lesson is in both English and Spanish.

You'll learn your A through Z, numbers 1 through 20, colors, and how to unscramble words.

English:

A is for Algae (Tony's green snack)

B is for Beaver (Tony's busy neighbor)

C is for Cattail (The tall plants by the water)

D is for Dragonfly (Zipping over the pond)

E is for Eggs (Hidden safe in the sand)

F is for Frog (Tony’s jumping friend)

G is for Gills (How fish breathe underwater)

Here are the Spanish translations for your pond-themed words:

A is for Algas (Algae)

B is for Castor (Beaver)

C is for Enea/Anea (Cattail)

D is for Libélula (Dragonfly)

E is for Huevos (Eggs)

F is for Rana (Frog)

G is for Branquias (Gills)

H is for Habitat (Tony’s pond home)

I is for Insects (Small treats for a turtle)

J is for Jump (What the bullfrogs do)

K is for Kingfisher (A bird watching from above)

L is for Lily Pad (A perfect place to rest)

M is for Mud (Great for a long winter nap)

N is for Newt (A tiny, orange pond pal)

H is for Hábitat (Habitat)

I is for Insectos (Insects)

J is for Saltar (Jump)

K is for Martín Pescador (Kingfisher)

L is for Nenúfar (Lily Pad)

M is for Barro/Lodo (Mud)

N is for Tritón (Newt)

O is for Otter (Sliding into the water)

P is for Pebbles (At the bottom of the pond)

Q is for Quiet (When Tony hides in his shell)

R is for Reptile (That's what Tony is!)

S is for Shell (Tony's hard, green house)

T is for Tony (Our favorite turtle)

U is for Underwater (Where Tony swims)

V is for Vegetation (All the green plants)

W is for Water (Cool and refreshing)

Colors:

Red: A Red-winged blackbird singing on a cattail.

Orange: A tiny, bright Orange newt swimming past.

Yellow: The big, bright Yellow sun in the sky.

Green: The Green algae Tony eats and the lily pads he sits on.

Blue: The deep Blue water and the bright Blue sky.

Purple: Some pretty Purple loosestrife flowers near the bank.

Brown: The Brown mud at the bottom of the pond.

Black: A sleek Black crow drinking water from the edge.

White: The White fluffy clouds floating by.

Colores:

Rojo: Un mirlo rojo cantando en una anea.

Naranja: Un pequeño y brillante tritón naranja nadando.

Amarillo: El gran y brillante sol amarillo en el cielo.

Verde: Las algas verdes que Tony come y los nenúfares donde se sienta.

Azul: El profundo agua azul y el brillante cielo azul.

Morado/Púrpura: Unas bonitas flores moradas cerca de la orilla.

Marrón: El barro marrón en el fondo del estanque.

Negro: Un elegante cuervo negro bebiendo agua desde el borde.

Blanco: Las nubes esponjosas blancas flotando.

Plant Foods: They also eat pond plants like duckweed and water lettuce.

Occasional Treats: Occasionally, they might eat a tiny bit of berries, melon, or bananas.

Commercial Pellets: Pet turtles often eat crunchy turtle pellets that contain all their necessary vitamins and minerals.

Alimentos Vegetales: También comen plantas de estanque como el lemnoides y la lechuga de agua.

Golosinas Ocasionales: De vez en cuando, pueden comer un poquito de bayas, melón o plátanos.

Piensos Comerciales: Las tortugas mascotas a menudo comen gránulos crujientes para tortugas que contienen todas las vitaminas y minerales necesarios.
